💍 Married

🇮🇳 Indian

📅 2001 May 16

I'm a passionate web developer with more than a year of experience worked as a freelancer. I am currently working as an Frontend Reactjs Intern in a Canada based company. An enthusiastic, dedicated and technically skilled person with excellent communication skill. Having a high level of attention in technical and business field. As well as possess ability to handle work pressure and challenges, I'm also able to analyse interpret data quickly in order to make informed decisions.
